Etica, Identità', Democrazia, Innovazione, Cooperazione

“L'Europa non potrà farsi in una sola volta, né sarà costruita tutta assieme: essa sorgerà da realizzazioni concrete che creino anzitutto una solidarietà di fatto” (Robert Schuman)

ANNO ACCADEMICO 2020/2021 - www.aesieuropa.eu

“The very concept of law, of an existing and projected reality profoundly, and deliberately, different from both anarchy and tyranny is shaped by the recognition that we human beings are all persons and each other's equal in that respect even if in no other” (Prof. John Finns University of Oxford)

“Man has a nature that he must respect and that he cannot manipulate at will. Man is not merely self-creating freedom. Man does not create himself. He is intellect and will, but he is also nature and his will is rightly ordered if he respect his nature” (Prof. Massimo Maria Caneva - Presidente AESI)

AESI FORUM with past DG Moller and new DG Valovaya of the United Nations in Geneva

MESSAGE TO THE EUROPEAN ASSOCIATION OF INTERNATIONAL STUDIES (AESI) FROM MS. TATIANA VALOVAYA, UNITED NATIONS UNDER-SECRETARY-GENERAL DIRECTOR-GENERAL OF THE UNITED NATIONS OFFICE AT GENEVA (GENEVA – May 2020) “As leaders of the future, you have an important role to play, today, in rejecting fear, mistrust and hate, and instead, advocating for inclusiveness, cooperation and multilateralism. I am sorry that the COVID-19 pandemic resulted in the cancellation of your study trip to Geneva. However, I encourage you to find other opportunities to expand your understanding of the world around you and your engagement with the United Nations. We would welcome your experiences and ideas. I also hope, one day, to be able to welcome you to UN Geneva “

AESI is a cultural association that has as its main target the promotion of human rights in politics and international cooperation. AESI wants to develop in particular, with its activities, a real culture of cooperation among populations and Nations, respecting human being's dignity and identity. AESI wants to contribute to the training of those young students who are preparing themselves for a diplomatic career or a career in the European or International Institutions. More than 3000 students and young graduates have already taken part in the Seminars organised together with the Diplomatic Studies Club, the Centre for Advanced Defence Studies, the Ministry of Foreign Affairs, the European Commission and the European Parliament Information Office in Italy. AESI has also organized many International FORUMS in the Balkan Area (at the University of Sarajevo with EUFOR), in the Middle East (at USEK and Lebanese Universities in Lebanon with UNIFIL, with Israel and Palestinian Universities at UNTSO, at the Universities in Cyprus with UNFICYP), at the NATO Headquarters in Brussels, at the European Parliament, at the Italian Permanent Representation to the European Commission, at OCED in Paris and at UNOG in Geneva. Many of AESI students have already started a diplomatic career, or are working in the relevant offices of International Organizations. Among the speakers of AESI's events, there are more than 500 Ambassadors, representatives of the United Nations, the European Commission, the European Parliament, Generals and University Professors who have contributed with their fieldwork and with their knowledge and experience. The Association is a no profit organisation and is totally independent from a political point of view.
